PROBLEM PITCHES CANNOT STOP COLLEGE TEAMS

FOOTBALL

The **Football First** team travelled down to Torquay to play South Devon College in the first round of the British Colleges' cup. Unfortunately, the pitch was very uneven, which did not help either side to create a good passing game. Both teams were struggling to control the ball with chances to score very limited. After the final whistle the scores remained at 0 – 0, taking the game into extra time. Still nobody could hit the back of the net and, with a result required to determine who would go on to the next round, the game was decided on penalties. Finally, Yeovil College went through to the second round following a score of 5 – 3.

The **Football Fourth** team played against Wadham School this week. Grateful for the chance to play after weeks of cancellations due to waterlogged pitches, the team were victorious, winning 2 – 0.

RUGBY

We are very grateful to Ivel Barbarians this week, who provided a pitch for a Somerset Colleges fixture between Yeovil College and Strode College when the usual pitches became waterlogged. The College's first and second teams combined for a ten-a-side tournament. Our first team beat their Strode counterparts 17 – 10. The final placings were 1st) Yeovil College First Team, 2nd) Strode College and 3rd) Yeovil College Second Team.

NETBALL

The Ladies Netball team entertained Sexey's School in a friendly game which gave the home team coach a chance to play a combination of first and second team players. It was a good game which resulted in a win for Yeovil College. The final score was 39 – 12.
