Please be aware that fees for **BA (Hons) Business Management and Strategy (level 6 top-up)** and **BSc (Hons) Social Work** are set by the University of Gloucestershire. Students should therefore consult the University of Gloucestershire's fees information to confirm tuition fees for these courses.

Please be aware that additional fees will be charged for repeat units. Additional fees may also be charged for resubmissions dependent upon qualification and awarding body.

The Fees Policy is reviewed annually and fees will increase appropriately in line with CPI and market conditions and the basis for the review published and authorised by the Vice Principal Finance and Resources.

Students continuing on their programme will remain on the same tuition fee for the duration of their academic programme, however, where students progress, for example from HNC to HND (top-up), or from Foundation degree/HND to BA/BSc (Hons), this is considered to be a new programme and will attract a new programme fee.

*For learners on courses that are run over partial years (notably, certain 1.5 year Engineering programmes) the fees charged may vary between years of study, as detailed above. The precise breakdown of how payments are structured is awaiting final approval from the Student Loans Company.

Latest CPI used - August 2019 (Approved by VP Finance and Resources - October 2019)
