

# INTERACT : BUSINESS

Click here for a message from our Principal 

A solid understanding of business and commercial principles, coupled with entrepreneurial vision will enable you to develop a strong, prosperous and exciting career in almost any sector. Our courses are taught by experts with a huge amount of practical industry experience. Our curriculum has been designed with the support of employers and we run regular master classes which are delivered by people who are currently working within the industry; people who are respected professionals within our community. We have introduced quality and relevant work experience opportunities into our curriculum, which when coupled with employer mentoring and the delivery of real and live briefs, will create highly employable and desirable students, who are ready to join the world of work or are perfectly equipped to take on the challenge of university life. You will leave Yeovil College with the set of skills, knowledge and behaviours local employers desire.

Investment Broker  
Business Manager

"We work with a huge number of employers who bring their professional business experience to the classroom through regular masterclasses. Our students also benefit from quality work experience in organisations such as the Western Gazette, Screwfix, Lloyds and Old Mill which enables our students to be confident, knowledgeable and career-ready young people.

**Donna Short, Director at Yeovil College**

## Did you know?

The strength of a solid business qualification is that it will enable you to progress your career into almost any sector of your choosing, including giving you the skills to progress to university or operate your own business. A critical element of our success is that we run a model where experts from industry teach our students. All Business lecturers at Yeovil College are business specialists in their own right, with bespoke master classes delivered by practising professionals from our business community.
