The Hospitality and Catering industry is a great place to work. It is people-focused, fast-paced and creative, whether you're creating a meal, a drink, or importantly, a memorable experience. It will open doors for you. It's not mundane, it's not 9 to 5; if you want flexibility in terms of a working pattern and even work itself, then a career in hospitality could be perfect. There is so much variety, and plenty of scope to take on early responsibility if you choose to do so. Students will train in a stunning environment - our newly extended, award-winning commercial restaurant and training kitchen, Da Vinci. You will also have the opportunity to prepare and cater for large banquets, conferences and themed evenings. The new menu is outstanding!
