Did you know?

Our facilities are our strength. We have a large, purpose-built, ultra-modern, workshop, which was opened in February 2018. We work with many local and regional employers who support us with innovative kit and technology, vehicles and industry expertise, including our valued partners Nissan Wellington. Our staff are all time-served technicians with a vast range of knowledge in the Motor Vehicle repair sector. Knowledge that they continue to build on with regular professional development. They are passionate about sharing their skills with the next generation.
