Added detail around Safeguarding during Covid-19 - changes will be updated according to Government Policy throughout this period

PURPOSE OF THE POLICY

To ensure that college adheres to its legal obligation and social responsibilities in relation to safeguarding children, young people and vulnerable adults. This is in accordance with legislation such as the Children Act 2004, Education Act 2002 and Guidance (September 2004), Safeguarding Vulnerable Groups Act 2006, Equality Act 2010, Mental Capacity Act 2005, Counter-Terrorism and Border Security Act 2018, part 5 as applies to Prevent and Channel, and in practice and policy directed by the Government's publication, Working together to Safeguard Children in Education 2018 and Keeping Children Safe in Education 2021 (KCSIE). Gov.Uk Further Education Covid 19 operational guidance. The term learner refers to children, young people and any other student enrolled at college and or engaged in any activity on college premises **including distance learning/working from home**. Any student under the age of 18 is deemed to be a child in the eyes of the law. The term vulnerable adult refers to any person, over the age of 18, in need of community care or support services because of old age, mental health issues, physical disability, hearing, seeing and/or communication difficulties, learning disabilities or the inability to protect themselves from significant harm or being taken advantage of. There is a separate policy and procedures to cover the Children's Centre as there are additional legal requirements for each.

Yeovil College is committed to improving and promoting best practice throughout the organisation and ensuring that the wellbeing of learners is safeguarded and that they are protected from harm. This in turn will promote opportunities for them to thrive and benefit from their learning experience and fostering a culture where learners are valued and their right to be safe is respected. Safeguarding is everyone's responsibility.

Under this policy abuse and neglect are defined as forms of maltreatment to any young person or vulnerable adult, whether college students or otherwise. This may be by omission or commission i.e. inflicting harm or failing to prevent harm. We recognise a child can be abused in a family, institution or community setting by those known to them or, more rarely, by a stranger. Abuse may be by an adult(s) or another child(ren). The main categories of abuse are neglect, physical abuse, sexual abuse, emotional abuse and financial abuse.

The safeguarding of children also includes protection from harassment (including e-safety, sexual harassment/sexual violence), forced marriage or honour based violence, Female Genital Mutilation, breast binding, cuckooing, radicalisation and Child Sexual Exploitation (CSE) which includes sexting, harmful sexual behaviour, criminal exploitation (CE County Lines), modern slavery, trafficking, homophobic, transphobic, Islamophobic or antisemitic (in line with Equality Act 2010 and IHRA

definitions) and an awareness of contextual safeguarding/extrafamilial safeguarding It also includes safeguarding of children where there is a concern regarding the safety of a child in the care of an adult learner.

RESPONSIBILITY AND AUTHORITY

The Corporation has ultimate responsibility for safeguarding and will ensure that the arrangements for protecting learners are effective, robust and reviewed on a regular basis.

The Designated Safeguarding Officer (DSO) or safeguarding deputies can be contacted on 07973 898 849 between the hours of 9am and 5pm Monday to Thursday and 9am – 4.30pm Friday during term time, a rota will also be in place out of term time during these hours except when the College is on efficiency closure. The Head of Student Experience can be contacted on 01935 845 354. **During any lockdown or Covid-19 restrictions the Safeguarding phone is held solely by the Head of Student Experience as the DSO and should illness occur this will pass to the Deputy Safeguarding Officer or Vice Principal as per the continuity plans in place.**

In the event of an incident occurring outside of these hours or in the unusual event that no safeguarding officers are available contact Somerset Direct 0300 123 2224 out of hours Somerset 0300 123 2327 or for Dorset learners contact MASH (multi agency hub) 01202 228 866. If learners are based away from these 2 Counties, staff must contact the local safeguarding board for that area. All incidents reported this way will still need to be recorded on MyConcern for legal purposes by the member of staff and to inform the DSO.

Recognition of actual or suspected abuse is the responsibility of all staff. All staff will receive training to support their understanding and awareness of safeguarding issues. This will be regularly updated. All staff must electronically sign on MyConcern to say they have read and understood part 1 of Keeping Children Safe in Education as part of their training; HR will maintain the single central record for mandatory training

Recognition of concerns with regards to radicalisation is the responsibility of all staff. This is to be reported to the DSO who will work with the local Police officer for Prevent and make relevant referrals through Channel. All staff will have completed the online training from the home office [Prevent Awareness Online Training](#)

The Designated Safeguarding Governor, who has responsibility for safeguarding concerns, including Prevent, can be contacted via the Clerk to the Corporation on 01935 845 418 or via Gillian.Macpherson@yeovil.ac.uk The Designated Governor is responsible for overseeing the liaison between the Police and Children's Social Care in connection with allegations against the Principal or the Safeguarding Officer with lead responsibility. This process will not involve undertaking any form of investigation but will ensure good communication between the parties and provision of recorded information to assist enquiries.

Information will be recorded on a confidential password protected database MyConcern. Any learner related safeguarding information will be recorded within the 'my concern' software. This allows all staff involved in a specific case appropriate access to information relative to the level of concern for reporting; DSL's will have access to all details. For safeguarding purposes old databases will be for information only and archived appropriately to support both GDPR and safeguarding requirements.

Tootoot – student self-referral

Students can share any concerns directly using the Tootoot software. This is available to all students with a Yeovil College email address. Referrals will be triaged, and will be recorded on MyConcern.

Should there be further restrictions due to **Covid-19** all students identified as vulnerable as per the Government guidelines and local authority will be contacted by each CAM area each week by a named member of staff. If there is no response from the student or parent/carer and there are concerns around welfare or work not being completed then concerns will be raised immediately with the DSO who will act as the point of contact with the appropriate supporting agency

All emotional support and learning would continue to take place online/remotely. Student support and counselling sessions would continue for those learners who may not be in the category identified by the Government as vulnerable but need to continue to access the emotional support during this time is carried out remotely using email, phone and Teams maintaining GDPR protocols.

Mental Health

Additional support specifically aimed for during such times is on the student wellbeing page and marketing provide links and support as part of their social media presence

New Starter training

All staff complete online Safeguarding, Prevent, FGM, Transgender modules and record having ready KCSIE 2021 with HR. Remote training on how to report using college systems is being offered to all new starters.

Meetings

All meetings where appropriate continue using online modes of communication to include PEPs for Children looked after, Child protection conferences and child looked after reviews.

COMMITTEES

Safeguarding issues should be raised at Governance, Senior Management Team, College Management Team and Health and Safety Committee meetings. Safeguarding will be monitored

regularly at the Safeguarding Steering Group Meetings. There is a legal requirement that the Governing Body reviews an annual report on Safeguarding produced by the Designated Safeguarding Officer. An audit date is set by the Local Safeguarding Children Partnership. This audit is completed in conjunction with the Governor for Safeguarding and Prevent.

The College recognises through these committees the positive contribution it can make towards safeguarding learners from radicalisation and violent extremism and exploitation. As part of these committees and through training for all staff, the College will empower students to create communities that are resilient to extremism and exploitation. It aims to protect those most vulnerable to being drawn into violent extremism or crime.

The College recognises that there is no place for sexual harassment, sexual violence or peer on peer abuse including online and has a zero tolerance for such situations

OUTCOMES

The Designated Safeguarding Officer will refer information to or seek advice from other relevant organisations as appropriate e.g. Children's Social Care, Police, Somerset Direct, Dorset Children's Services or Somerset/Dorset Local Safeguarding Children Partnerships. There is an expectation that concerns should be shared with parents/carers unless by doing so the learner might be placed at greater risk of harm.

In the event of the concerns not being appropriate for referral at that stage then the learner will be monitored through an appropriate member of staff in liaison with the Safeguarding Officer.

Staff will receive support as required.

ALLEGATIONS MADE AGAINST STAFF, VOLUNTEERS OR GOVERNORS OF THE CORPORATION – WHISTLEBLOWING

All staff and volunteers (including Governors) are recruited in accordance with the College Safer Recruitment Policy and within the DBS/Vetting and Safeguarding guidelines.

In an educational establishment learners need to be protected from grooming, forming inappropriate relationships, exploitation (particularly through the internet), physical abuse, violence, bullying, harassment, sexual harassment, sexual violence, victimisation, recruiting or being enticed into extremist organisations/activities etc. They also need to be protected against homophobic, transphobic, Islamophobic and antisemitic behaviours. This protection covers all full-time, part-time, HE and work-based learners in all settings.

If an allegation is made against a member of staff (including the Principal) or a volunteer (including a Governor) it should be reported immediately to the Vice Principal Quality of Education. After initial investigations the Vice Principal with responsibility for safeguarding will inform the Local Authority Designated Officer (LADO) 0300 123 2224 if it is found that the allegation requires escalation. Any investigation should be carried out by a member of staff who has undertaken at least the "Working together" Somerset Safeguarding Children Board advanced interagency training.

*The only exception to this is if an allegation is made against the Vice Principal Quality of Education in which case it should be reported immediately to the Principal who will inform the Local Authority Designated Officer, 0300 123 2224.

Any resulting investigation should be carried out by a member of staff who has undertaken at least the "Working together" Somerset Safeguarding Children Board advanced interagency training.

In addition, allegations against:

- A member of the Senior Management Team (including the Principal).

- Any Governor (other than the Designated Governor) should be reported to the Designated Governor via the Clerk to the Corporation.

Allegations against the Designated Governor should be reported to the Chair of the Corporation via the Clerk to the Corporation.

Allegations against the Clerk to the Corporation should be reported to the Designated Governor via the Vice Principal Quality of Education.

SAFEGUARDING FLOWCHART

Prevent and Channel Referral guide
For reporting a concern of a vulnerable individual

It is important for you as a member of staff to know where to go if you have a concern that someone may be on the route to radicalisation. Below is a flow chart which aims to show the process as to which you can follow:
