Advanced Electrical Facials

All treatments are 1hr 15 minutes. Costing **£25.00** each.

Galvanic

An effective facial treatment to balance all combination skins, boosting skin's radiance. It deeply cleanses oily skins to aid removal of congestion, whilst luxuriously hydrating dry skin types to reveal plumper, smoother skin.

Direct High Frequency

A purifying treatment using active oxygen cream to soothe, sanitise and heal skin. Effective for hydrating dry, sensitive skins, whilst the anti-bacterial properties eliminate congestion and calm reactive skin.

Lymphatic Drainage

A relaxing treatment that aids lymphatic drainage, revealing healthy and radiant skin.

EMS

Improves the tone of specific facial muscles and firms and tightens the face.

Microdermabrasion

A deep exfoliation to help reduce fine lines, wrinkles, stretch marks and pigmentation. A great anti-ageing treatment.

Environ

An anti ageing facial.

Environ Facials

Environ are a results-driven brand that create scientifically researched skin care suitable for all skin types. The effective combination of vitamins C and E alongside the unique step up system of Vitamin A concentrations, replenish essential skin nutrients lost by exposure to the sun and other environmental factors to see visible improvement in the skin.

Treatment

Price

Active Vitamin Facial - 60 minutes

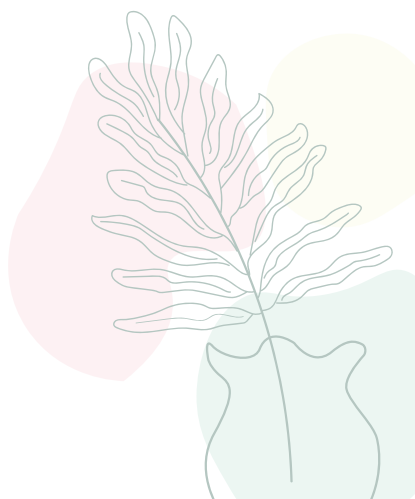

£30.00

The freshest, most active form of Vitamin A, C and antioxidants are driven deep into the lower layers of the skin using soundwaves and electrical pulses. Treatment helps to soften fine lines, increase hydration and boosts radiance, suitable for all skin types and particularly effective for sun damage/pigmentation skin, uneven skin tone and scarring.

Collagen Power Facial - 60 minutes

£30.00

This peptide packed facial helps to boost collagen, soften fine lines and tighten lax skin, resulting in a more youthful appearance. The treatment uses gentle soundwaves to drive nutrient packed serums deep into lower layers of the skin. Ideal for targeting mature, photo-damaged skin to give a more radiant and plumped appearance.
