1. PURPOSE

- 1.1 This document sets out our expectations for learners and the approach our staff should take when learners are not meeting the expectations of the organisation. This document sets out the action that should be taken for minor breaches in behaviour or discipline as well as such incidents that would be considered as more serious and / or deemed as gross misconduct.

2. SCOPE

- 2.1 This policy applies to all learners attending Yeovil College as a learner irrespective of the programme they are studying, including those on Apprenticeships, attending Yeovil College University Centre (YCUC) or those who attend part-time programmes.
- 2.2 The Learner Disciplinary Policy and Procedure applies to all activities taking place onsite and to any activity taking place related to a learner's programme offsite, such as educational trips and visits when a learner is representing the College.
- 2.3 The Learner Disciplinary Policy also applies to any learner's behaviour which is deemed as damaging to the reputation of Yeovil College and / or Yeovil College University Centre.
- 2.4 This policy takes into account the Equality Act 2010. Where a learner has a disability, including a mental health issue or behavioural difficulties, reasonable adjustments will be made to ensure they are not discriminated against.
- 2.5 Assessment will be made of the extent and reasonableness of the adjustments as part of any relevant disciplinary process. This will be conducted in conjunction with the College Special Educational Needs and/or Disabilities Coordinator (SENDCo) and the Head of Student Services who will assess the learner need and implement suitable intervention.
- 2.6 This document sets out the code of conduct to which learners are expected to adhere in return for being admitted to the College and being provided with educational and other facilities. It also sets out the procedure which should be followed where the code of conduct is breached, taking into account any Special Educational Needs and Disabilities (SEND) needs of the learner.

- 2.7 There is a separate Academic Misconduct Procedure¹ which deals with study and progress matters. If action is taken against a learner under both codes, the two elements will be treated together under the Learner Disciplinary Policy and Procedure.
- 2.8 Learners should be aware that there are additional policies and procedures, including the Acceptable Use of IT Policy and the Sexual Misconduct and Harassment Policy², which outline specific expectations of learner conduct in relation to these areas, and breach of these expectations may result in a learner facing disciplinary action in line with this Learner Disciplinary Policy and Procedure.
- 2.9 If there are concerns about the conduct of learners who are apprentices and / or undertaking work placement or work experience as part of their programme, the College will work with the employer and the learner to find the best resolution. The Learner Disciplinary Policy and Procedure may be enacted in addition to any disciplinary or performance management policy or process that an employer may choose to implement.
- 2.10 If there is an emerging concern about a learner's health and wellbeing and the impact of this on progress, then the Health, Wellbeing, and Fitness to Study Policy³ may be implemented. Such concerns may include significant deterioration in health, appearance, attitude, particularly where there is an impact on attendance, ability to meet deadlines, succeed academically, or participate in normal student life.

3. OBLIGATIONS OF LEARNERS AND STAFF

- 3.2.7 Attend all planned learning activities punctually, this includes all classroom based, practical, tutorials and enrichment activities.
- 3.2.8 Complete all homework, coursework, assignments, assessments, and exams on time and in accordance with college policy and awarding organisation rules.

- 3.2.11 Abide by this behaviour and disciplinary policy and all other relevant college policies.

3.3 Expectations of Staff:

- 3.3.1 Staff will promote and teach a culture of being ready, respectful, and safe. During induction, staff should introduce learners to the learner code of conduct, to allow learners the opportunity to demonstrate an understanding of the rules and the part they play in making the College a positive and supportive environment.
- 3.3.2 Staff will have a consistency in their approach to behaviour management by always being calm in their approach to learners.
- 3.3.3 Never ignoring or walking past learners who are behaving badly, instead referring concerns to the relevant staff.
- 3.3.4 Modelling positive behaviours and reinforcing good behaviour by recognising those who do model good behaviour.

3.4 Work Experience/Industry Placement or Apprentices

- 3.4.1 The College has many learners who are apprentices or undertake work experience or industry placements as part of their study programme. If the College has concerns about the conduct of a learner, we will work with the learner and the employer to find the best resolution. This is in addition to any employer performance management or Disciplinary procedure which learners should familiarise themselves with prior to starting any placement.
- 3.4.2 Any failure to follow the Colleges behaviour expectations could result in a breach of learners training agreement or their employment contract. In such instances the College will work with the learner and the employer to secure the most appropriate outcome.

3.5 Fitness to Study

- 3.5.1 If there is an emerging concern about a learner's health and wellbeing and the impact of this on progress, then the Health, Wellbeing, and Fitness to Study Policy may be implemented. Such concerns may include significant deterioration in health, appearance, attitude, particularly where there is an impact on attendance, ability to meet deadlines, succeed academically, or participate in normal student life.
- 3.5.2 Curriculum Area Managers (CAMs) must sensitively contact and discuss with the learner, with the support of Head of Student Services or the College SENCo where applicable. For further information refer to the Health, Wellbeing, and Fitness to Study Policy.

4. MINOR MISCONDUCT

- 4.1 The intention of the 'Minor Misconduct' stage is to ensure appropriate intervention is implemented in response to low level concerns. The approaches that should be taken should enable learners to:
 - 4.1.1 Take responsibility for their behaviours.
 - 4.1.2 Agree to work toward improving such behaviours.
 - 4.1.3 Give staff the opportunity to restore learner behaviour through a constructive and individualised approach.
- 4.2 This ensures learners have the best opportunity to receive the assistance they may need to be able to continue their studies. The minor misconduct process is for less serious offences with no or minimal harm or disruption caused, or offences which have a limited impact on the proper functioning of activities at the College. Minor misconduct can result in a Cause for Concern being raised on Promonitor.
- 4.3 Learners with an Educational Health Care Plan (EHCP) which stipulates parent / carer involvement in communications (whether due to assessment under the Mental

Capacity Act 2005 or any other reason), will be informed if this procedure is implemented.

4.4 Please refer to the Attendance Policy and Procedure if staff are managing intervention related to attendance.

4.5 Examples of minor misconduct include (but are not limited to):

4.5.1 Disruptive or unruly behaviour.

4.5.2 Not displaying the College ID Badge when on college premises.

5. SERIOUS MISCONDUCT

significant disruption, harm or distress towards any member of the College community

- 5.2.1 The serious misconduct process is for more serious offences with moderate harm or disruption caused, or moderate impact (or risk thereof on the proper function of the College and related activities).

- 6.2.17 Any behaviour which could bring the College into serious disrepute, whether on site, in transit or offsite.
- 6.2.18 This is not an exhaustive list of the types of cases which the College may treat as gross misconduct.
- 6.2 A learner may be suspended from the College immediately by a member of the College Management Team (CMT) in conjunction with the Head of Student Support or a Delegated Manager pending a disciplinary interview, where that member of staff has reason to believe that the student has committed an act of gross misconduct. The learner should, where possible, be interviewed prior to the suspension and their version of the events shall be recorded and placed on Pro Monitor or MyConcerns appropriate, along with a signed copy of their statement. Parents or Carers of learners who are under 18 years of age, or under 25 if they have Educational Health Care Plan (EHCP) which stipulates parent / carer involvement in communications (whether due to assessment under the Mental Capacity Act 2005 or any other reason), will be contacted immediately. - 6.4 If a learner is over 18 and reasonably believed to be under the influence or carrying an offensive weapon, then the College will contact the Police.

⁶ Available at <https://www.gov.uk/government/publications/searching-screening-and-confiscation>

- 6.5 Following an investigation and review of evidence the suspension or disciplinary of a learner may be revoked by a member of SMT if evidence suggests that the learner has not committed an act of gross misconduct.
- 6.6 Any suspension of a learner with an Educational Health Care Plan (EHCP) must be completed in conjunction with the college SENDCo or the Assistant SENDCo to enable an emergency EHC meeting to take place and the appropriate services can be notified before the suspension is implemented
- 6.7 Any suspension will be confirmed in writing within 2 days of its occurrence and that learner will be invited to a Disciplinary Panel Meeting with the relevant manager and/or the Head of Student Services and or SENDCo or Assistant SENDCo as appropriate. Such a meeting will be convened within 5 working days of the suspension, and in line with the provisions for a disciplinary panel meeting outlined in Section 9. If a learner is suspended, they will have access to work via Moodle/Teams during the suspension period and will be given a point of contact during this time.
- 6.8 During the period of suspension, a full investigation will be carried out with statements taken from persons who witnessed the alleged gross misconduct.
- 6.9 In the event of the suspension of a learner who is being sponsored by an employer, or an apprentice, the employer will be informed wherever practicable.

7 STAGE 1 - FIRST WRITTEN WARNING

- 7.1 **Note:** If a learner is already under an initial contract due to an interview or previous behaviour concerns but has progressed to another programme within the College, this will be considered their first warning. Consequently, any further issues will automatically proceed to Stage 2. Serious misconduct will be addressed at either Stage 1 or Stage 2 of the disciplinary process, depending on its nature.
- 7.2 Warnings are intended to help learners understand the consequences of misconduct. They should be viewed as a means of helping a learner concentrate on improving behaviour rather than as a punishment. A first written warning is instigated when a learner has received 3 cause for concern notes on Promonitor, or if we have reason to believe the learner has committed an act of serious misconduct. An action plan

with SMART targets should be developed to support the learner to improve and change behaviour and outcomes. Where a learner is under 18 years old, or under 25 if they have Educational Health Care Plan (EHCP) which stipulates parent / carer involvement in communications, parents/carers will be made aware of concerns through a phone call or email to ensure good lines of communication and support. Learners who require reasonable adjustments or special arrangements prior to any disciplinary meeting can request this through the College Student services team or the College SENCo team. Any learner involved with any aspect of the disciplinary process can access support throughout from the Student Support team.

- 7.3 Cases of petty misconduct may be treated informally by any member of staff and should not result in a concern note being issued. This should be logged appropriately.
- 7.4 Once learners have received 2 concern notes, the 3rd concern will trigger a Stage 1 written warning, to be issued by the area lead tutor or Study Programme Manager. An appropriate member of staff will discuss the written warning with the learner to ensure they understand why they are receiving a stage 1 written warning. For learners who typically receive in-class learning support to aid with communication and / or understanding, it may be appropriate for equivalent support to be available during this conversation to ensure the learner is well-supported to understand why they are receiving the stage 1 written warning. Any learner involved with any aspect of the disciplinary process can access support throughout from the Student Services team and can be referred to this through the Curriculum Team, SENCo or IZone.
- 7.5 The process for issuing the first warning is as follows:
 - 7.5.1 Go to learner's page on ProMonitor.
 - 7.5.2 Click on 'Meetings and Comments' on the top ribbon.
 - 7.5.3 Select 'Manage Learner Meetings'.
 - 7.5.4 Click on 'Add New'.
 - 7.5.5 Add meeting date (defaults to the day opened) and time.

- 7.5.6 Select 'Meeting Category' and select 'Disciplinary'.
- 7.5.7 Select meeting type and choose appropriate option, then select save.
- 7.5.8 Select/Add Attendees as appropriate, then click on send email notification.
- 7.5.9 Inform iZone, who will send the communication to parents/carers.
- 7.5.10 Add date to be reviewed.
- 7.5.11 Take notes of what is said at the meeting (with admin if needed).
- 7.5.12 Add action plan with SMART targets including review date.
- 7.5.13 Click save.
- 7.5.14 Add review date in your Outlook as a reminder.
- 7.6 The reason for the warning and the consequences of further misconduct should be clearly explained to the learner.
- 7.7 For learners under the age of 18, or under 25 if they have Educational Health Care Plan (EHCP) which stipulates parent / carer involvement in communications, the iZone team will send a covering letter to parents/carers and/or employers/sponsors where appropriate.
- 7.8 Review date:
 - 7.8.1 Go to learner's page on ProMonitor.
 - 7.8.2 Click on 'Meetings and Comments' on the top ribbon.
 - 7.8.3 Select 'Manage Learner Meetings'.
 - 7.8.4 Click on the most recent/relevant meeting.

- 7.8.5 Add in comments regarding review and set new SMART targets as appropriate.
- 7.8.6 Alter the at-risk status if appropriate
- 7.9 Liaise with area lead tutor/ Curriculum Area Manager (CAM) if learner has not met the target set.
- 7.10 NB. A learner can be issued with a first written warning for an incident of serious misconduct without 3 consecutive concerns. This is at the discretion of member of the College Management Team.

8 STAGE 2 - SECOND WRITTEN WARNING

- 8.1 Where misconduct is further repeated (for example if further concern notes are received regarding either the same type of misconduct or other misconduct) or a learner has been issued an initial contract at interview or as part of progression and there are concerns with conduct, it is then considered to warrant more formal treatment. The relevant area Lead tutor/Study Programme Manager or Assessor/Programme Manager for apprentices should become involved. (If the area lead tutor is also the Personal Tutor, then it is advised that another appropriate staff member carries out the meeting).
- 8.2 A meeting must be arranged between the area lead tutor (or alternative area lead tutor as appropriate)/Study Programme Manager or Assessor/Programme Manager for apprentices, and the learner, within 10 working days. Learners will be notified of the meeting date and time and be asked to confirm attendance by iZone. Learners are permitted to be accompanied by a Parent/Carer/Friend or Representative. Other relevant staff will also be invited where appropriate. The purpose of the meeting is to explore the nature and seriousness of the concerns.
- 8.3 The iZone team will send a letter to parent/guardian/employer as appropriate inviting them to attend the meeting. Learners who require reasonable adjustments or special arrangements prior to any disciplinary meeting can request this through the College SENCO or Students Support Team. Any learner involved with any aspect of the

disciplinary process can access support throughout from the Student Services team and can be referred to this through the Curriculum Team, SENCo or IZone.

- 8.4 Learners with Special Educational Needs and or Disabilities (SEND) or an Educational Health Care Plan (EHCP) will have the opportunity for the College SENCo or Assistant SENCo to be present.
- 8.5 During the meeting, an agreement between the learner and the area lead tutor/Study Programme Manager or Assessor/Programme Manager for apprentices will be drawn up, detailing what each will do to improve the situation as an action plan with SMART targets, recorded within the learner's Individual Learning Plan (ILP).
- 8.6 The process for issuing the second warning is the same as in section 7.5, substituting the words 1st stage with 2nd stage.
- 8.7 Within one month of the second warning a review should take place using the same process as outlined in 7.8. The learner should be a part of this review.
- 8.8 Alternatively, if the area lead tutor/Study Programme Manager or, Assessor/Programme Manager for apprentices, does not believe that such an informal agreement will result in improvement, a recommendation will be made to the Curriculum Area Manager/Head of Student Services that the learner will be invited to attend a Disciplinary Panel meeting.

9 STAGE 3 - DISCIPLINARY PANEL – FINAL STAGE

- 9.1 In cases of gross misconduct, or if misconduct is further repeated following a second written warning, a disciplinary panel meeting, chaired by a CAM and supported by The Head of Student Support or the Coordinator and as appropriate the College SENCo or Assistant SENCo, will be arranged, giving at least 5 working days' notice, and stating:
 - 9.1.1 The reason for the panel.
 - 9.1.2 The learner's entitlement to accompaniment (detailed below).

- 9.1.3 Confirmation of the time and place of the interview.
- 9.2 Copies of any documentary evidence, together with copies of any written statements, will be provided to the learner ahead of the panel. However, if any statements are submitted by learners that, even once redacted, could reasonably lead to the identification of the individual, these may not be shared in order to safeguard the individual concerned.
- 9.3 The member of staff chairing the panel will not have had prior involvement in any previous stage of the process.
- 9.4 The learner will be entitled to be accompanied by a friend, student representative or parent/guardian at the panel and will be entitled to state their case (including any mitigating factors) before any decision is taken. All disciplinary panels will be adjourned for consideration. If a learner is sponsored by an employer, a representative of the employer may be invited to attend. The panel will use the evidence provided at the meeting and other evidence to make a balanced and informed judgement and the outcomes will be reflective of this. Learners who require reasonable adjustments or special arrangements prior to any disciplinary meeting can request this through the College SENCO or Students Services Team. Any learner involved with any aspect of the disciplinary process can access support throughout from the Student Services team and can be referred to this through the Curriculum Team, SENCo or iZone. A decision on the final outcome will not be made during the final panel meeting. The outcome will be communicated to the Learner and parent or guardian within 5 working days of the date of the meeting.
- 9.5 After hearing the learner's case, the panel may decide:
- 9.5.1 To draw up a further disciplinary agreement with set targets.
- 9.5.2 To take no further disciplinary action.
- 9.5.3 Adjourn the panel to review further evidence.
- 9.5.4 Temporarily exclude the learner, including for the remainder of the academic year. Must be agreed with the Assistant Principal.

- 9.5.5 Exclude learner from site but enable their education to continue via distance learning and escorted on site to support set exams and/or practical elements.
- 9.5.6 Permanently exclude the learner from the College. If the Curriculum Area Manager makes the decision to permanently exclude the learner following the panel meeting this must be agreed with the Assistant Principal or other member of the Senior management team.
- 9.6 If a disciplinary agreement is the outcome of the hearing it will be recorded as a 3rd stage warning on ProMonitor on the learners Individualised Learning Plan (ILP) using the same process as in section 8.4.1.
- 9.7 If a learner has a 3rd stage warning and commits any further acts of misconduct under serious misconduct or gross misconduct, they could be instantly excluded by any of the Senior management team (SMT) without a further panel meeting.
- 9.8 Learners who have been excluded but wish to return to college or learners subject to a Stage 3 contract who progress to the following academic year, whether within the same curriculum area or a different one, will be placed on a contract at the start of the next academic year that constitutes a Stage 1 written warning.
- 9.9 In the event of the learner being temporarily or permanently excluded, they will be provided with written notification of the main findings on which the recommendation for exclusion has been made and given details in writing of the right of appeal within 10 working days of the date of the disciplinary hearing. This should be communicated by the chair of the panel within 5 working days of the hearing.
- 9.10 If the learner disputes material facts relating to the complaints, they have a right of appeal (see section 10).

10 APPEAL AGAINST SUSPENSION OR EXCLUSION

- 10.1 The learner will have a right of appeal to the Assistant Principal for Curriculum against any recommendation for temporary or permanent exclusion, or formal suspension.

- 10.2 Appeals must be lodged with the Vice Principal's Personal Assistant within 10 working days of the date of the recommendation for exclusion or suspension and must give the grounds and brief particulars of the appeal.
- 10.3 If an appeal is lodged within the 10 working days, an appeal interview with the Assistant Principal for Curriculum will be arranged to take place within 21 days of the notice of appeal being lodged. The learner will be given at least 5 working days' notice of the time and place of the appeal interview and will be entitled to be accompanied by a friend, learner representative or parent/guardian as appropriate. Any legal or other professionals that the learner wishes to attend must be requested and agreed by the College at least 24 hours prior to the meeting date. Any documents considered at the final disciplinary panel will be available for the purposes of the appeal.
- 10.4 At the appeal interview, the learner will be invited to explain the grounds of the appeal and to state their case.
- 10.5 The Curriculum Area Manager or Head of Student Services who made the recommendation to exclude or suspend will be asked to respond to the appeal and explain the reasons for the recommendation.

- 11.2 Normally incidents, however serious, will be dealt with by the College. However, where the Senior Manager or Head of Student Support feels the alleged offence or concern warrants the Police being involved, the College will ensure that the learner understands their options when they report an alleged criminal offence and support the learner. The learner's options might include reporting the matter to the police, asking the College to take disciplinary action, or taking no further action.

Opportunities for rest breaks will be communicated at the start of the interview.
- 12.4 The member of staff chairing the interview may exclude from the proceedings any person who behaves unreasonably or who disregards the instructions of the member of staff about the interview. Handbook for Validated Awards² to understand if you would be eligible to request the Open University review this outcome, and if so, the timeline and process you will need to follow. Do read the Open University's documentation for full details, however, you should be aware that it is important that the OU receives any complaints or appeals as soon as possible, and within three months of the date of this letter. A delay may mean that the OU are unable to investigate the matter fully.

Please note, that procedures will not be deemed officially 'completed', and therefore you would not be able to ask the Office of the Independent Adjudicator for Higher Education (OIA) to review this outcome until you had also exhausted the Open University's processes. If you were to follow and complete the Open University's processes, you would then be issued a 'Completion of Procedures' letter and at that point would be entitled to request that the OIA review the complaint. Please be aware that there are time limits within which you would have to request the OIA review a complaint – typically students have 12 months to bring an appeal to the OIA, although please visit their website for the most up-to-date information.

Yours sincerely,
